How Can You Help?

The Dream Connection depends solely on its volunteers and donors. We are always looking for passionate volunteers with time and talent to serve these deserving kids. Whether it's helping with fund raisers, meeting with kids and their families, marketing, designing web pages or creating videos—give your gift to The Dream Connection and the children of our communities.

About The Dream Connection

The Dream Connection, Inc. is a non-profit organization that provides "once-in-a-lifetime dreams" for East Tennessee children between the ages of 3 and 18, with life-threatening or chronically debilitating illnesses. We are able to direct 100% of your contributions to fulfilling the dreams of the children we serve by avoiding traditional overhead expenses.

The Dream Connection is operated solely by a volunteer board of directors, advisory board and other concerned citizens. Each donates time and effort to make dreams come true for these special children. Funds are raised through individuals or businesses which sponsor a specific dream, tax deductible contributions or donated items for our dreams and auctions.
